HOW IT WORKS

- Our new packages enable you to maximise the time spent doing activities and will make the day flow better for you and your students. Simply pick your most preferred package(s) plus one back up option and we will do the rest.
- If your package is with Carlingford Adventure, you will arrive, have a hot lunch and depart from the centre. If your package is in Skypark, you will arrive, have a hot lunch and depart from Skypark.
- If you are booking one of the water sport packages as part of a two day or longer stay, we recommend one water sport activity every two days.
- Please provide us with a back up package option in all cases in case your first choices aren't available.
- NEW TO SKYPARK, check out our awesome 'Ireland's Ancient East Maze' (your students will get lost in the fun!).
